

SF450B • SF500B • SF500 • SF600

- Struttura in acciaio verniciato (o in acciaio inox su richiesta)
- Protezioni antinfortunistiche secondo la normativa CE
- Regolazione precisa dello spessore della sfoglia mediante scala graduata
- Raschiatori facilmente rimovibili
- Tappeti a velocità variabile per ottenere uniformità nella sfoglia
- Piani rialzabili per limitare al massimo l'ingombro quando la macchina non è in uso
- Inversione del senso di laminazione dei tappeti mediante joystick e/o pedale
- *Optional*: gruppo di taglio per croissant, pizzette etc. e velocità variabile dei tappeti

- Painted steel structure (on request stainless steel is also possible)
- Safety covers device in accordance with CE regulations
- Precise regulation on thickness of sheet by a graded scale
- Scrapers can be removed very easy
- Variable speed between infeed and discharge belts assure regular dough sheet
- Belts can be raised when the machine is not in use to obtain more free space
- Reversal rolling belts by joystick and/or by pedal
- *Optional*: cutting unit for croissants, pizza etc. and variable speed belts

- Structure en acier verni (ou sur demand en acier inox)
- Protections contre les accidents conformes aux lois CE
- Reglage précis du épaisseur du pate feuilletée par une échelle graduée
- Racleur facilement amovible
- Tapis avec vitesse variable pour assurer l'uniformité de la pate feuilletée
- Table de travail remontable pour réduire l'encombrement
- Inversion de laminage par joystick ou par pedale
- *Optional*: dispositif de decoupe pour croissants, pizza etc. et tapis a vitesse variable

- Estructura de acero barnizado (o a petición en acero inoxidable)
- Protecciones contra infortunios de acuerdo con la regulación CE
- Regulación precisa del espesor final de la hojaldre por medio de una escala graduada
- Raspadores pueden ser muy fáciles quitado
- Tapetes a velocidad variable aseguramos la precisión del espesor final de la hojaldre
- Sistema de alzamiento de las mesas por obtener más espacio libre
- Inversión de laminación por medio de joystick y/o pedal
- *Optional*: dispositivo de corte para croissant, pizza etc. y velocidad de las cintas variable
