ERE25

Introducing a classy range of display cabinets from EuroChill. Solid stainless steel body, nicely finished with LED lighting and a bold black frame to accentuate your food display. Double glazing and heated glass on the floorstanding models help to prevent condensation in our humid climate. Choose from our stylish range of floorstanding and benchtop options.

OTHER FEATURES

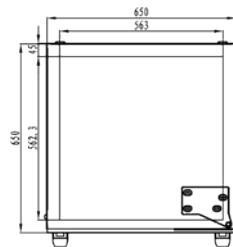

- Digital temperature controller and display
- Adjustable chrome plated shelves
- 4 castors with 2 brakes on floorstanding models
- On/off switch
- Ventilated cooling system and automatic defrost
- Internal LED illumination on sides
- Stainless steel body
- Coated evaporators
