Since 1981 Starline glasswashers and dishwashers have been engineered specifically for New Zealand conditions and are supported nationwide by the best service network in the industry.

Starline Dishwashers:

- Provide unrivalled product reliability and longevity;
- Are hand made from heavy duty stainless steel;
- Feature intuitive controls with easy to read displays; and,
- Are constructed locally to be easy to maintain and service.
- Heat Recovery solutions available on select models, providing reductions in emissions and operating costs.

Talk to a Starline dealer today about how the latest dishwashing solutions will benefit you and your customers.
