

Bun 25

Front loading / exiting

Belt and temperature control

The Bun 25 is Star line's reliable countertop unit, designed especially for toasting hamburger buns. It creates a more accessible and functional workspace for your kitchen.

With variable top and bottom temperature control as well as belt speed control, and turbo fan cooled features, the Bun 25 is a commercial kitchen's ultimate hamburger bun toasting unit.

W.CVT.BUN.25
