HIGHLIGHTS

- Front-in & front-out air flow: no need to leave space on the back.
- One touch cleaning: reduces labor costs and saves time and simplifies cleaning process.
- Front access condenser air filter: a do-it-yourself cleaning operation that saves time and money and make your ice maker live longer.
- Ergonomic access to ice with sliding disappearing door: one touch door lift, makes barman's life definitely easier.
- Easy cleaning: through routine maintenance.
- Built-in storage bin: allows undercounter installation for easier fit-in solution, specifically for coffee shops.

Dice ice

goes EASY

NU SERIES

Classic six sides ice cube.
 Its greater surface for heat exchange
 allows a fast chilling of all drinks.
 The vertical evaporator technology of this ice cube
 guarantees large ice production
 at lower operating costs.
 It is highly appreciated in QSR
 and coffee chains applications.
