

# the small machine for great coffee

EF5, EF11

## petite

Small and elegant, the Marina is ideal for coffee shops, office bars and small businesses that demand a perfect espresso. Fully equipped with steam wand and water tap, the Marina allows you to serve the whole range of modern coffee drinks.

## powerful

Within the compact stainless steel body, the Marina features high power professional components and a generous 3L boiler. Choose the water tank version\* for complete autonomy that allows you to serve delicious drinks even in uncommon places and under extraordinary circumstances. (\*special order)
