

DELTA INSULATED FOOD PAN CARRIER

HG70

FEATURES

- Food pan carrier can store different GN 1/1, 1/2, 1/3 food pans inside. It can store cold or hot foods. Flavour is retained several hours after food has been placed in the carrier.
- Polyethelene construction, thick foam inner material. Durable latch and airtight gaskets keep food at a consistent temperature for hours. No outer heat is required.
- A vent cover can balance pressure, this makes it easier to open the container.
- Wide nylon latch will not rust.
- Suitable for transportation and storage.
