

Heat On Demand 2 Plus Induction Heating Activator

HOD250 – Heat On Demand 2 Plus

The prominent LED status light displays a different vibrant color at every stage.

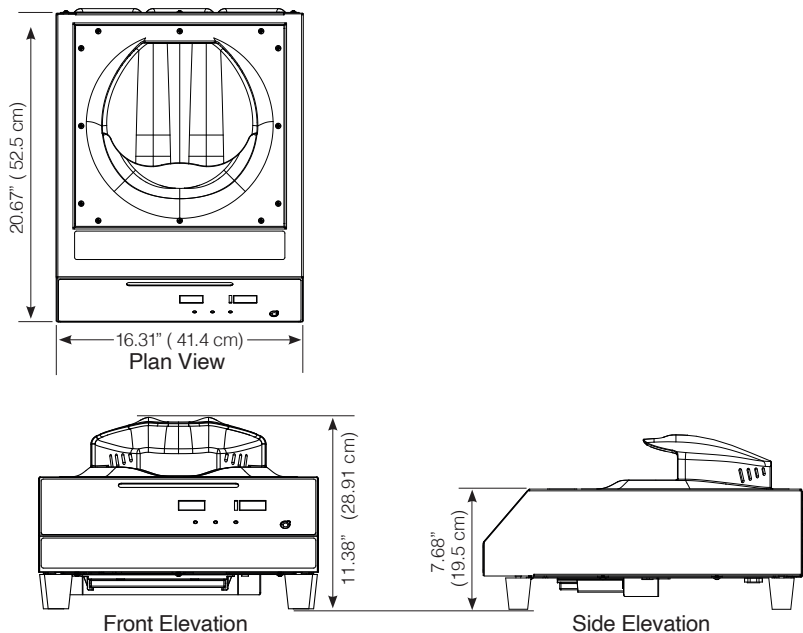

- Small compact design
- Great for room service and late tray applications
- Consistent heat activation – each base is thoroughly and consistently heated the same each time
- Bases fit standard 9" / 230mm dishware and domes
- Meals can be held to desired temperature for up to 45 minutes
- 19 second heating cycle
- Uses 70% less electricity to heat each base when compared to conventional base heater
- Bases is safe to handle without gloves or base lifter
- Digital LED display
- Audible alert when base is ready

Standard Features

- Simple to operate
- Easy to clean
- Durable high impact, high temperature plastic
- Active heat source located inside the bottom of the base
- Insulation around enclosed heat source keeps heat within the pellet base
- Solid state electronic controls for enhanced reliability
- User friendly diagnostics for activator and base interface
- LED status light signals cycle change (white / idle; red / heating; green / ready; yellow / error).
