

## Modular Extraction Box (B-Type) Hoods

The Delta range of modular extraction hoods have been created to provide an economical solution for commercial kitchen ventilation. Designed and manufactured using the latest 3D CAD/CAM technology, Delta hoods offer exceptional build quality and guaranteed low lead times at an incredible price. The Delta range of extraction hoods are perfect for small cafes, fast food outlets and restaurants. The box shape of this range allows for installation of salamanders under the hood.

### Features

- 304 grade stainless steel
- Removable grease drawers
- Includes 500sq honey comb filters
