

## DELTA CONVEYOR TOASTER

### ED10 FEATURES

- Quartz infrared heaters provide faster, more consistent heating than traditional heating elements
- Easy to use control panel takes the guesswork out of temperature and speed control settings
- Variable speed and top/bottom heat control for perfect colour and texture of bread, bagels, English muffins and more
- Standby switch. Energy efficient operation that reduces electricity consumption about 75% and the quartz heaters return to full power in seconds versus minutes for metal sheathed elements
- Extended stainless steel conveyor belt for easy loading and large warming area for higher production
- Safe load up area with full width coated front burn guard and cool to the touch exterior

- Smart crumb tray keeps the bread crumbs from falling under the toaster
- Heated holding area to keep toaster at the perfect temperature
- High limit switch prevents toaster from overheating, protecting critical component parts
- Complete with power cord and 15 amp plug
