

CTR Alkalinity

A super concentrated alkaline builder that tackles tough soils and prevents redeposition. Its formula provides unsurpassed soil removal. The advanced formula is unaffected by water hardness and delivers exceptional results over a range of wash temperatures.

Concentrated laundry builder

Hard water tolerant

Delivers exceptional results

Captive spill-free system

Tackles tough soils and prevents redeposition

Automatically dispensed for safety

Works at low temperature

Colour coded labelling

CTR Alkalinity

Use Instructions

Raise the coupling into the UNLOCKED position. Replace the empty bottle with a new bottle and lower the coupling into the LOCKED position. There is no need to prime the lines as this will automatically occur next time the pump is activated.

For further information contact your Ecolab Representative.

Safety Information

Carefully read the Safety Data Sheet (SDS) before using this product. For your convenience, SDS's may be accessed via our web site at <https://www.ecolab.com>.
