

Product Information Sheet

ECO GREASE LIFTER

Ovens, Cooktops, Rangehood & BBQ Grease Cleaner

A ready-to-use, non-toxic, non-corrosive, yet powerful degreaser, formulated for ovens, cooktops, rangehood, BBQ, and other surfaces where grease tends to accumulate. Its innovative formula works on grease buildup, dislodging it from surfaces. Its foaming properties help it to adhere to surface effectively, even on vertical areas. Biodegradable, contains no unpleasant odours, and is safe on aluminium.

DIRECTIONS

Spray onto the warm surface and make sure the grease is fully covered with the product*. Leave it to work for 1 to 5 min. Do not allow the product to dry. Wipe off with a damp cloth or a scrubber, then rinse thoroughly with water. For stubborn grease repeat process if needed.

*For painted surfaces do a patch test before use to make sure the paint won't be removed.

Make sure to wear appropriate personal protection equipment (PPE), see label under SAFETY.

PROPERTIES

Appearance	Tinge of Yellow
Fragrance	No Fragrance
pH	10.84 (@100% soln)
