

CD200

Multi Tank Conveyor Dishwasher

W 2700mm x D 765mm x H 1445mm

Starline rack conveyors are designed and constructed with a wide range of customisable system accessories to optimise the productivity of the busiest washrooms.

The CD200 is a fully automatic rack conveyor dishwasher with a versatile prewash zone, a powerful wash zone, powerful wash zones and built in three stage EcoRinse. Configured to meet the requirements of each customer, the CD200 is a powerful dishwasher that with the right system accessories can provide a high capacity wash solution. Capable of washing 200 racks or 3,600 plate equivalents per hour, the CD200 is the perfect dishwasher for the busiest kitchens.

Since 1981 Starline dishwashers have been constructed from heavy-duty stainless steel, and are engineered specifically for local conditions and regulations. Backed by the most extensive service network and spare parts inventory in the region, your Starline CD200 will not let you down.

Standard Features

- Capacity of up to 200 racks/3,600 plate equivalents per hour
- Rinse economiser only draws fresh water when racks are in the rinse zone
- 600mm pre-wash module
- 1200mm wash module with pre-rinse
- 600mm EcoRinse module with recirculating and final rinse stages
- Heavy-duty stainless steel construction and wash manifold
- Full width, easily removable stainless steel wash filter trays for easy cleaning
- Removable upper and lower heavy duty stainless steel wash arm cassettes
- Powerful drive with safety clutch allows the machine to wash heavy items with ease
- Easily maintained electromechanical controls
- Easily fitted to benches and other accessories
- Water consumption of just 180 litres per hour
- In-house CAD design service for every site layout
- Comprehensive 24 month Starline warranty

Includes:

- 2 x 500mm dish rack (600 70028)
- 2 x 500mm cup rack (600 70029)
- 2 x cutlery container (C660503)
- 1 x cutlery basket (C660508)

Optional System Accessories Include*:

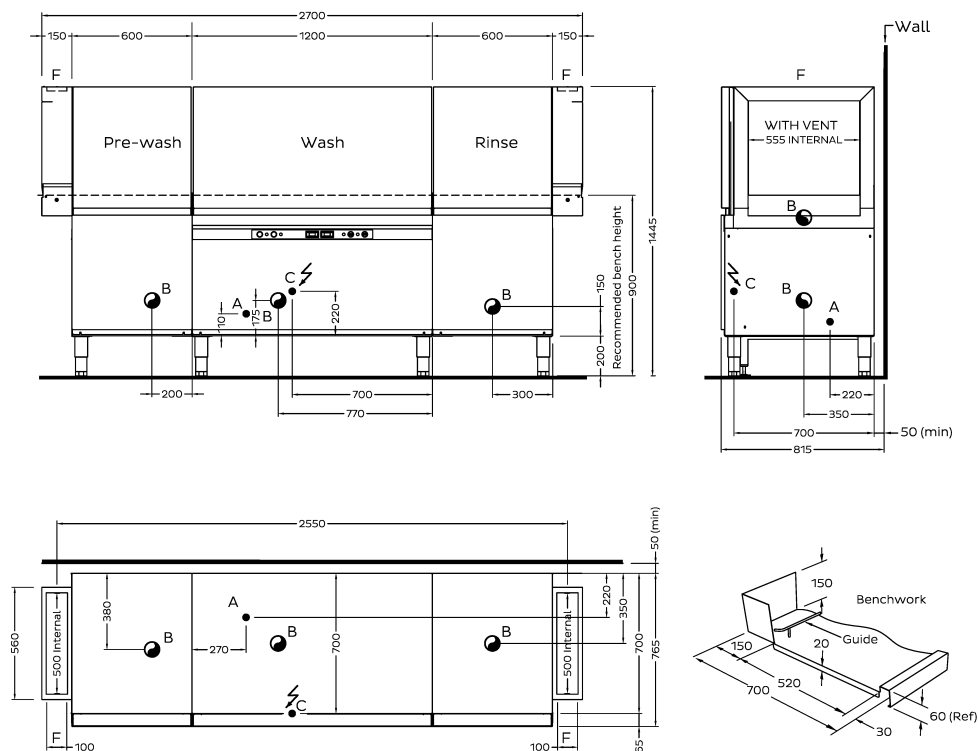

- Dryer modules
- Sorting benches
- Custom scrap stations
- Pre-rinse troughs
- Setdown benches
- Sideload tables
- Inlet and outlet corner pawl drives
- Straight & curved roller tables
- Heavy duty roller table limit switch

* Upgrades will impact the cost of the machine and may extend the lead time
