

QUEEN LINE

## Q600 ( MANUAL )

---

The dough sheeter for excellence. It is provided with a practical and ergonomic direction arm and with a pedals to invert the belts' direction. Its strong structure and large cylinders guarantee an excellent lamination as well as reliability and great durability over time. Q600 also offers the possibility to easily close and remove the table already complete with the lower plates. The scrapers, as all the other parts that require a periodic cleaning, are easily accessible by the operator.
