

QUEEN LINE

Q50B-Q50S (MANUAL)

Thanks to its small size and to its foldable tables, the manual dough sheeter Q50 is the perfect ally for those who are looking for a machine simple to use but reliable and very compact at the same time. The front handle allows a quick and easy adjustment of the cylinders' lowering, and the joystick, positioned on the upper side of the machine, enables the operator to work in a natural and ergonomic position.
