Use Instructions

Your Ecolab specialist will install a Wash Max dispenser and adjust it to automatically dispense the proper amount of product for your specific cleaning needs. Ecolab ware- washing solids are to be used only with Ecolab dispensers.

1. Check product label for detailed use information
2. Wear suitable protective clothing when handling the product
3. Refill the product compartment when the alarm sounds
4. Open the Wash-Max reservoir
5. Remove the empty capsule
6. Crush and dispose the empty capsule
7. Take a new capsule from the box
8. Remove cap from capsule
9. Place the capsule with the opening downward in the dosing unit
10. Close the Wash-Max dispenser
