# Bathroom Cleaner Descaler

Formulated with biodegradable ingredients to provide exceptional cleaning throughout bathrooms. Effectively removes dirt, soap scum and hard water deposits from tubs, showers, counters and toilets. With a contemporary floral fragrance, it's suitable for use on chrome, porcelain, vinyl, tile and fiberglass surfaces.

Biodegradable formula

Acidic descaling formulation

Derived from renewable resources

Removes soils & prevents build up

Breaks down soap scum, mould & mildew

Pleasant Floral Scent

Focused on the Environment

Recognised Environmental Credentials Scheme by Accord

CLEANER. SAFER. HEALTHIER

# Bathroom Cleaner Descaler

## Recognised environmental Credentials Scheme by accord

Accreditation under the Recognised scheme ensures a product meets a stringent set of criteria ensuring the product is better for human health and the environment based on rigorous, science-based leadership standards.

### Focus on the environment

Our range of Bio-Based Hard surface Cleaners are derived from renewable resources - living matter such as soybeans and corn - to help reduce your environmental footprint.

## Use Instructions

1. Fill spray bottle with solution.
2. Spray by using a foamer sprayer directly onto the surface.
3. Let work for 5 minutes.
4. Scrub with a clean wet sponge.
5. Rinse with water.
6. Wipe dry.

Not suitable on marble surfaces.

## Dilution Rates

Oasis pro concentrated products are automatically dispensed. An Ecolab representative will set the dilution to provide optimum results according to your water pressure, soil level and surface type.

## Safety Information

Do not mix with any other products. For further information and safety instructions see product label and Safety Data Sheet.
