

Greaselift RTU

A high performance non caustic degreaser. It's unique technology penetrates tough, cooked-on grease and lifts it away from the surface. The non caustic formula is as effective as traditional caustic degreasers but without all of the drawbacks.

Recognised Environmental Credentials Scheme by Accord

Ready to use

Aluminum & Glass safe

PPE Free

Powerful degreaser

Penetrates and lifts grease

Non Caustic & Non Corrosive

Pleasant scent

CLEANER. SAFER. HEALTHIER

Greaselift RTU

Recognised environmental Credentials Scheme by accord

Accreditation under the Recognised scheme ensures a product meets a stringent set of criteria ensuring the product is better for human health and the environment based on rigorous, science-based leadership standards.

Use Instructions

Product works faster when applied at warm temperatures up to 50°C.

1. Spray product onto food preparation or food cooking surface to be cleaned.
2. Allow product to penetrate cooked-on grease deposits for 1-5 min depending on thickness of the deposits. Do not let product dry on surface.
3. Wipe off dissolved and softened grease with a scrub pad or damp cloth.
4. Rinse with clean water.

Safety Information

Do not mix with any other products. For further information and safety instructions see product label and Safety Data Sheet.
