

# PRODUCT INFORMATION SHEET

## DISH WASH POWDER

A high strength dish wash powder formulated for use in automatic dishwashers. Effective in the removal of soiling and protein from glassware, crockery and cutlery. Do not use on aluminium or silverware.

### DIRECTIONS

Fill powder dispenser and run cycle. Use at a rate of 20gm per litre of hot water as a crockery and glassware pre-soak. 1 scoop = 30gm.

### FEATURES & BENEFITS

- Powdered formula easily removes soiling.
- Concentrated formula for great economy.
- Formulated for use in all water types.
- Contains oxygen-bleach for improved bacterial control.
