

Easy and Safe SAF-T-ICE® TOTE

Innovation for Safer Ice

The fact is, ice is food. That means it's as susceptible to the same risks of cross-contamination as any other food, especially from contact with bare hands, dirty scoops or contaminated containers.

Protect ice from dangerous contamination during transport with Saf-T-Ice® Totes. The dedicated ice totes feature an integrated comfort handle with raised Tri-grips™ to prevent hand contamination and for easy and safe pouring at any level. Patented HACCP Hanger™ attaches to ice machines for faster and more efficient filling of ice totes.
