

Commercial Inverter Microwave Oven NE-1866QPQ

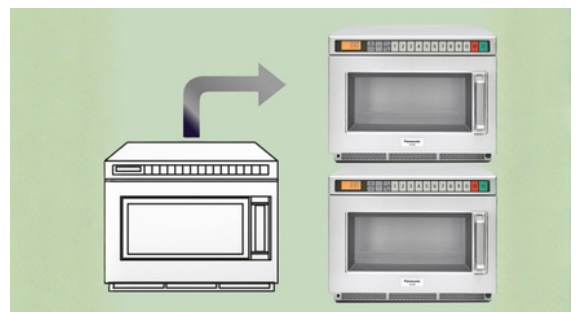

COMMERCIAL INVERTER MICROWAVE OVEN

The NE-1866 Commercial Inverter Microwave Oven saves energy with Panasonic's Inverter technology while offering a compact, lightweight design that's 40% lighter and 32mm shallower than previous models. Built-in Splatter Shield Detection ensures safe operation by automatically stopping the unit if the ceiling plate is not in place.

FEATURES & BENEFITS:

- 18L capacity
- 1800W microwave with Inverter Technology and Auto Defrost reheats and defrosts food evenly, helping preserve flavour and texture while avoiding cold spots or overcooking.
- Compact and lightweight design with a 40% reduction in weight and a slimmer footprint, saving 32mm in depth for improved portability and space efficiency.
- Splatter Shield Detection automatically stops operation if the ceiling plate is not in place, helping prevent damage to the cavity and ensuring safe use.
- Compact, stackable design saves valuable kitchen space,

Specifications
