robot coupe®

Robot Coupe's Blixers combine the features of the cutter and the blender-mixer to ensure a perfectly finished end product with a smooth and consistent texture. Blixers are currently the only machines that can handle both cooked and raw food, without the need to add any more liquid, which means a lot of the nutritional value is retained.

# One size doesn't fit all.

## Starline XU and the new smaller Starline XV.

**WASHTECH**

Starline XU is Washtech's best value full-size undercounter dishwasher, engineered for ease of use, reliability and consistent wash performance. The new Starline XV delivers the same reliable performance in a more **compact footprint**, with a smaller **450mm rack size** that allows for easier handling in **offices, schools, childcare centres or small kitchens** with less demanding capacity requirements. Starline XV also offers optional 10 amp power, which enables operation from a standard wall outlet. Washtech dishwashers are designed and manufactured in New Zealand, and backed by the most extensive service network and parts inventory in the country.
