ECOWISE CHEMICALS

Code	Description
------	-------------

Griddle Clean

Non-caustic no-rinse cleaner for hot plates, griddles, food presses and cooking irons. It is ready to use and offers significant safety and in-use advantages to products traditionally used for the removal of carbon and brunt on food greases and oils from steel and stainless surfaces.

- Non-rinse formulation
- Quick cleaning in-use
- Non-caustic for safer handling

HCK447	5 Litre Griddle Clean
HCK448	1 Litre
HCK449	1 Litre Application Bottle with Flip Cap

HCK447 HCK448 HCK449

Grease Buster

Unique formulation of active bacteria for treating grease traps, septic tanks and other odour control applications. Suitable for food and process operations and general commercial use. Utilises a proprietary blend of specialist and environmentally friendly surfactants and active bacterial agents.

- Non-corrosive
- Breaks down fats
- Active bacterial agents
- Neutral pH
- Biodegradable odour control

HCK446	5 Litre Grease Buster
HCK453	1 Litre Application Bottle with Spray Head

HCK446 HCK453

Commercial Floor Cleaner Heavy Duty

Commercial strength bio-enzymatic cleaner suitable for use on floors, walls and most hard surfaces where heavy and ingrained soiling is common. Powerful bio-enzymatic grease busting action formulated specially for stubborn, resistant soiling on a variety of hard surfaces, including kitchen floors.

- Breaks down heavy spoiling
- Keeps on working after application
- Powerful bio-enzyme action

HCK425	2 Litre Floor Cleaner
--------	-----------------------

HCK425

Active Cleaner

Ultra concentrated all-purpose hard surface cleaner with a robust bio-enzymatic formula to keep surfaces clean and odour-free. Perfect for the washrooms and most hard surfaces.

- Keeps surfaces clean and odour free
- Naturally biodegradable
- Powerful bio-enzymatic action

HCK426	2 Litre Active Cleaner
HCK427	1 Litre Application Bottle with Foam Head

HCK426 HCK427

ECOWISE CHEMICALS

Code	Description
------	-------------

Commercial Auto Dishwash

Concentrated non-caustic auto dishwash detergent. A safer alternative to traditional caustic based cleaners. Unique formula suitable for a wide range of surfaces—cutlery, crockery, glassware, china, stainless steel and synthetic items. May be used also as a safe heavy-duty soaking agent for aluminium components. Septic tank safe when used as directed.

- Low foaming
- Non-caustic for safer handling

HCK437	Dishwash 5 Litre
HCK438	20 Litre

Commercial Rinse Aid

Highly concentrated rinse agent promoting rapid drying. Suitable for use in commercial and domestic dishwashing machines with manual application or automatic pump. Formulated to eliminate residue and leave crockery spot-free from water marks.

- Automatic pump application
- Quick drying for speed of service
- Highly concentrated
- Eliminates residue

HCK439	Rinse Aid 5 Litre
HCK440	20 Litre

Bowl Cleaner Concentrate

High-viscosity ready to use toilet bowl and washroom concentrate cleaner. Cleans and deodorises. Thick flowing formula means more contact time and the pleasant fragrance leaves toilets clean and fresh.

- Biodegradable formula
- Pleasant fragrance
- Septic tank safe
- Cleans and deodorises

HCK434	Bowl Cleaner 5 Litre
HCK435	1 Litre Application Bottle with Press Cap

Eco Oil Saver

An effective filter powder that filters out haze in your frying oil caused by particles of food and breading, and pulls out bitter tastes and unpleasant odours that other powders cannot remove.

- Reduced oil costs
- Improve food quality
- Reduced labour costs
