

WHY SUPPORT US?

We support local business. We have the largest range of stock, in stock.

Our teams are highly experienced and will deliver on time to budget.

We value our customers and go out of our way to ensure good outcomes.

We employ people in locations across the country and feel investing throughout New Zealand helps us to provide the best service whilst contributing to our local economy.

PURPOSE

Shaping the future of hospitality together.

VISION

To be a world class company.

We have been supporting local manufacturing for over 30 years.
Some of the NZ manufactured brands we represent are:

BLUE SEAL

Waldorf

turbofan
CONVECTION OVEN SYSTEMS

BAKBAR

COBRA
YOUR STYLE. YOUR WAY

These are our key brands of cooking equipment and all of these brands are manufactured by Moffat right here in Christchurch. Moffat have permanently located their manufacturing facility here in NZ, this investment in local infrastructure and support provides a whole other level of value to our NZ market.

PROJECT STAINLESS

With a focus on manufacturing high quality stainless steel for commercial kitchens, the Project Stainless factories offer everything from work benches, sink benches to shelving. Everything they provide us is manufactured right here in either Christchurch, Wellington or Auckland. The factories employ local tradesmen in our three strategic locations.

STARLINE
by **WASHTECH**

Manufactured in New Zealand for 40 years, Starline Dishwashers are engineered specifically for New Zealand conditions. Although Washtech have a significant export market they continue to invest in its Auckland based manufacturing facility, employing New Zealanders and doing their part to keep local manufacturing alive and strong.
